# **Business Jet Center DAL Makes Key Appointments**

## **Staff Realignment Strengthens Customer Relations Initiatives**

**October 23, 2007, Love Field, Dallas, TX...**Business Jet Center (BJC), a leading provider of Fixed Base Operation (FBO) services, has realigned its customer support team and announced key appointments.

Aviation services veteran, Bill Moltenbrey, has been named Director of Business Jet Center, Ltd., and will oversee both the Dallas (DAL) and Oakland (OAK) FBO operations. Previously he served BJC in the areas of finance, administration and business development. Moltenbrey has more than 30 years of industry experience including 10 years as Senior Vice President and CFO for AMR Combs FBO network.

Jason Pons, who has been with BJC for 10 years, has been promoted to Manager of FBO Operations. Previously he was Assistant FBO Manager and is the developer of the company's Line Service Training Program. Pons is involved with the Love Field Safety Consortium and the Love Field Security Advisory Council.

DJ Korzyniewski has been named Manager of the newly created Concierge Services Department which oversees all customer service and marketing functions for Business Jet Center DAL. Over the past seven years she has held positions of increasing responsibility at BJC and was most recently Customer Service Manager. Korzyniewski's work in customer relations has been noted by customers who have recognized her in a national aviation survey as a top Customer Service Representative.

"By realigning our customer relations and operational support team, we are better able to meet the needs of our customers at all transaction points throughout the process," said Mike Wright, Founding Partner, Business Jet Center, Ltd. "From the time a customer taxis onto our ramp, to the time of departure, our goal is to provide a superior customer service experience."

Business Jet Center, at both the Dallas and Oakland locations, has consistently ranked among the top FBOs in two primary industry surveys. Recently the Company celebrated its 10 anniversary and has emerged as the dominant FBO and the only family-owned operation at Love Field. With a general aviation fuel sales market share of nearly 30 percent among seven competing FBOs, BJC is home base to many of Dallas's marquee flight departments as well as professional sports teams.

**About Business Jet Center**

Business Jet Center (BJC) is a full-service fixed base operator (FBO) with strategic locations at Love Field (DAL), Dallas, TX and Oakland International Airport (OAK), Oakland, CA. Services include fuel, line service, catering, hangaring, concierge and auto rental.
