Business Jet Center-Oakland Adds Hangar Space

More than 100,000 sq. ft. of Hangar, Shop & Office Space Now Under Management

October 29, 2007, Oakland International Airport, Oakland, CA...Business Jet Center (BJC), a leading provider of Fixed Base Operation (FBO) services, has added more than 15,000 sq. ft. of hangar space and 32,980 sq. ft. of apron to their Oakland International Airport (OAK) leasehold. With the addition, BJC now manages more than 100,000 sq. ft. of designated business and general aviation hangar, shop and office space making it one of the largest FBOs in the Bay Area. .

Business Jet Center OAK opened for business in the fall of 2003 and completed a \$4 million renovation of the airport's 8,449 sq. ft. original 1920's executive terminal building. Located at 9351 Earhart Road on 13 acres at the North Field of the airport, BJC has been recognized as a top 15 award winning FBO destination in two national industry surveys. In addition, the facility has received the prestigious ExxonMobil PremierSpirit Gold award as a top 25 national Aviat dealer two years in a row.

The facility is managed by Dave Mills who serves as Vice-Chairman of the Exxon/Mobil Aviat Council. For more information on Business Jet Center's OAK facility and available hangar space, call at 510-635-4000.
