## Business Jet Center Oakland Awarded Top Honors Highest Rated Bay Area FBO: 4<sup>th</sup> Premier Spirit Gold Award

**April 22, 2009, Oakland International Airport, Oakland, CA...**Business Jet Center (BJC), a leading provider of Fixed Base Operation (FBO) services, has been recognized as the top FBO in the San Francisco/Oakland Bay area by Aviation International News (AIN) magazine. In addition, the facility has received the ExxonMobil PremierSpirit Gold Award for the fourth consecutive year with three employees achieving Gold Employee Merit (GEM) status.

Employees celebrating the awards from left are Matt Foreman, Jamie Ristau, Kenya Broadnax, Amy George and Dave Mills, General Manager of the facility. In the AIN Survey, Business Jet Center OAK scored an overall average of 8.18 out of a possible 10 points making it the highest rated FBO in the Bay Area while placing in the top 40 in the US and Canada. For the Premier Spirit award, ExxonMobil has recognized the facility as a top 25 international Aviatat dealer four years running.

Besides Broadnax and George, the third employee receiving the prestigious Premier Spirit GEM award is Faith Baumann.
